

DVD Literacy Project

(Provided by the Vernfield Home and School Association)

Dear Parents,

The Literacy DVD project has been a long treasured keepsake, chronicling Vernfield student literacy learning typically starting in early elementary through fifth grade. We would like to invite your child to participate in our Literacy DVD Project.

With your permission, each year at Vernfield we will record your child reading a short passage from their favorite book, along with answering several questions about the book they have chosen and the activities they have enjoyed throughout the school year. (If your child cannot read yet, we will have them talk about their favorite book instead!) At the end of fifth grade a "Literacy DVD" will be made with all of the recordings from the years past and given to your child.

If you would like your child to participate please fill out the attached form, sign it and return it to school by **February 15, 2018**.

This program is dependent on parent volunteers so we need your help to continue this tradition. We will record the children 9 am- 3pm through the next few months and would appreciate any time you can give. You can indicate on the attached permission slip if you are available.

Sincerely,

The Literacy DVD Coordinators
