

Stocking Scramble

For grades: 2-5 (Phrases can get progressively challenging for the older kids)

Supplies: 2 stockings
2 sets of holiday phrases

1. Print out the holiday phrase (such as, “Jack Frost” or “Frosty the Snowman”, etc.)
2. Cut out the phrase so there is one letter per piece of paper (like Scrabble tiles)
3. Put a set of phrases in each stocking

To Play:

1. Divide children into 2 teams
2. Give each team a stocking
3. The first team to “un-scramble” the phrase wins

Tip: Play several rounds, by bringing along several phrases. Just re-load stockings after every round.
